Accommodation

We suggest the Center Hotel – Via Igo Gruden, 43, 34149 Basovizza – a small village a few kilometers from our offices www.centerhotel.it.

Travel from Center Hotel to AREA Science Park

If you haven't been to the Center Hotel before, it's a short bus ride from the hotel to the AREA Science Park where ESTECO has its offices.

I have attached bus timetables (routes 39 and 51) and maps (including a walking route for those of you who want to get here on foot).

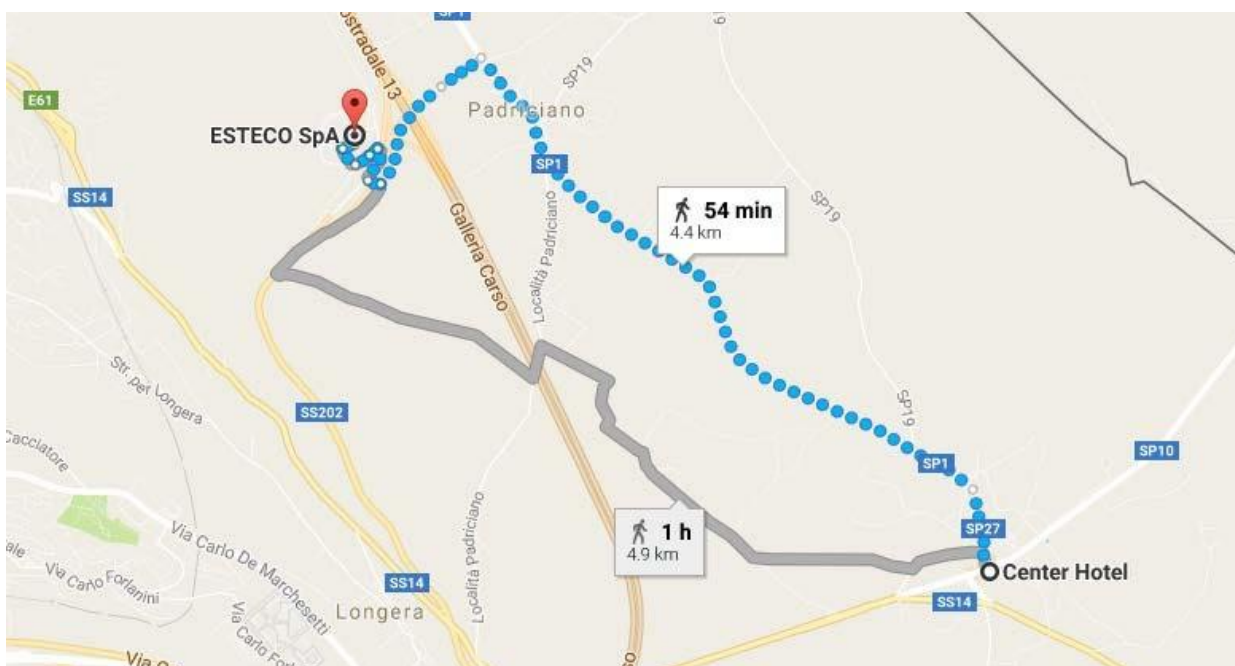

The same bus will take you to the city center if you want to visit the city and see the sights/enjoy the night life. Buses do stop at midnight so after that you'll have to get a taxi.

The bus stop is located in front of the Pharmacy in the center of the village - about 100 meters from the hotel. Bus tickets must be purchased beforehand at the tobacconists in the corner next to the Pharmacy.

The other option is to hire a taxi:
